## COLD AND FLU SEASON

Well, it's that time of year again when cold and flu season is upon us. We would like to remind everyone that hand washing is the best way to prevent your family from catching these illnesses.

Kingdom Kids is taking all precautions with extra toy and equipment sanitizing, as well as proper hand washing. Please remember to follow proper illness policies when your child is sick, in order to prevent the spread of illness!

\*Just a reminder our school is equipped with hand sanitizing stations in all corners of the school. Please sanitize yours, as well as your children's hands when entering the school.
