## Green Shamrock Song

One green shamrock, in the morning dew,  
another one sprouted,  
and then there were two.

Two green shamrocks, growing beneath a tree;  
another one sprouted,

Three green shamrocks, by the cottage door;  
another one sprouted,  
and then there were four.

Four green shamrocks, near a beehive  
another one sprouted,  
and then there were five.

Five little shamrocks, bright and emerald green,  
think of all the luck  
these shamrocks will bring.

## Best of the Best Lethbridge 2019!

The directive team of Kingdom Kids Christian Child Care would like to take this time to thank all of our supporters that voted for us! We are beyond grateful to be voted the best of the best in Lethbridge childcare! We wanted to take this time to let our families know how truly blessed we are to provide services to individuals that treat us and our staff as family; we could not do what we do without your gracious support.

Above all we want to take this time to thank our staff team, for their exceptional dedication to the children, families and program! Because of the meaningful relationships they foster with the families, the bonds they have created with the children and the desire to continuously extend their knowledge in Early Childhood they all provide the children with a rich, nurturing surrounding and a fun learning environment for the children's spiritual, social, intellectual, emotional and physical growth. We wouldn't be where we are without each Individual staff member!
